“ I absolutely LOVE the 2 yard signs that I had made for Leonard Street Curves! I am planning my next order of static clings! The turn-around for my order was super fast! Thanks danMark Graphics for the wonderful signage! You made it so easy! ”

~ **Carrie Bazzett**
Manager, Leonard Street Curves

Who is danMark Graphics?

Since 2004, danMark Graphics LLC has been providing quality print and design services for its clients. With our 45 combined years of experience in the design and print industries, we do high quality work at affordable prices...all within the time frame you request.

We're thankful for the opportunity to serve you. Our goal is to serve Jesus Christ by the way we treat our clients, and in the quality of our work.

Thank you for choosing danMark Graphics...we're confident you'll be glad you did!

To: Possible Employment

Dear Mark:

It was a pleasure talking to you today about the possibility of joining the Bedstone team. I hope to will see the thought had crossed my mind over before you called. For the last year or so, my desire has been to find a position that would allow me to utilize my graphic design skills, and the position you described today is a lot like the one I've been dreaming about.

So, now comes the hard part... asking myself: I've never been great at small talk, so I'd not like to be there. I can promise you that if you consider me for this position, I'll give the job 110%. I am a very motivated person and need life's experience. I've spent my career establishing a reputation of integrity, accuracy, efficiency, and a strong work ethic. In every job I've been in, I have earned the respect of my peers and supervisors. As you'll note in the enclosed recommendation letters, I've been described as, "an excellent team player," "a genuine team player," "very talented, very artistic," "supportive of the talents of others," and "one who adds a touch of class and professionalism to all her responsibilities."

To give you some background, I've been employed by Design Plus for the past eight and a half years. The last seven were spent working as an administrative assistant for more than 20 people. I received a promotion into the Visualization Department because of my graphic and organizational skills, which I began in March of 2004. I have worked in the architectural/engineering field for the last 18+ years. In 1992, I began a freelance graphic design business that has provided experience in the design of everything from shopping bags to building signs. I have a portfolio of some of my work, which I'd like to show you.

Before joining Design Plus, I worked at BEA Design Group (formerly The WBCC, Grand) for eight years. I held many different positions during my employment, everything from receptionist to specification specialist to assisting in the graphics department. My last position was in the marketing department and acting as the sole graphic design support for the entire 60+ person firm.

Mark, I'm really excited about the possibility of working with you. I look forward to meeting with you to see how my skills and abilities will benefit Bedstone Group. You're welcome to contact my former boss of seven years, Warren Smith with Tower Products Inc. to discuss his experience working with me. No one at Design Plus is aware that I'm looking, so I appreciate your discretion with regard to this.

I look forward to talking with you again!

Tanya D. Stickler

Who?
Who are the 2007-2008 Board Members?
 President: Jane Luzzolo
 Vice President: Dennis Rose
 Secretary: Melissa Specht
 Treasurer: Sara Wilkins

When?
When Does the PTO Board Meet?
 Vanguard Charter Academy PTO Board Meetings are held on the **4th** of each month (except December), at 8:45 a.m. in the Teacher's Lounge of Vanguard Charter Academy.

Why?
Why Do We Need the PTO/Volunteers?
 To support Vanguard staff, faculty, and students... **YOU** are an important part of Vanguard's success!

Who Else Can Be Involved?
 Parents
 Grandparents
 Other Family Members
 Teachers
 Really, anyone who wants to participate... as little or as much as you want!

When Do Volunteers Meet?
 Volunteer Orientation is held at the beginning of the school year. We'd do our best to answer all of your questions (hopefully!).
 (i.e. What business do I use? What are the security policies? What do I do in the event of a severe weather? How do the bills/school orders, etc. work? How do I use all of the equipment?)
 You get the idea!

When Do I Need To Work?
 There are numerous volunteer opportunities available throughout the school year once you get started.
 If your time or resources are limited, there are also events that happen (optional) activities including running a booth, prize redemption center, kitchen help, setup/teardown, etc. If you want to get involved... there's an opportunity to fit pretty much anyone!

It's simple, really. We do quality work at affordable prices, conducting business with honesty and integrity. If you have your own design ideas or need our help to provide a creative solution, we will work quickly to provide the best solution for your needs.

17

We're not happy until you're completely satisfied!

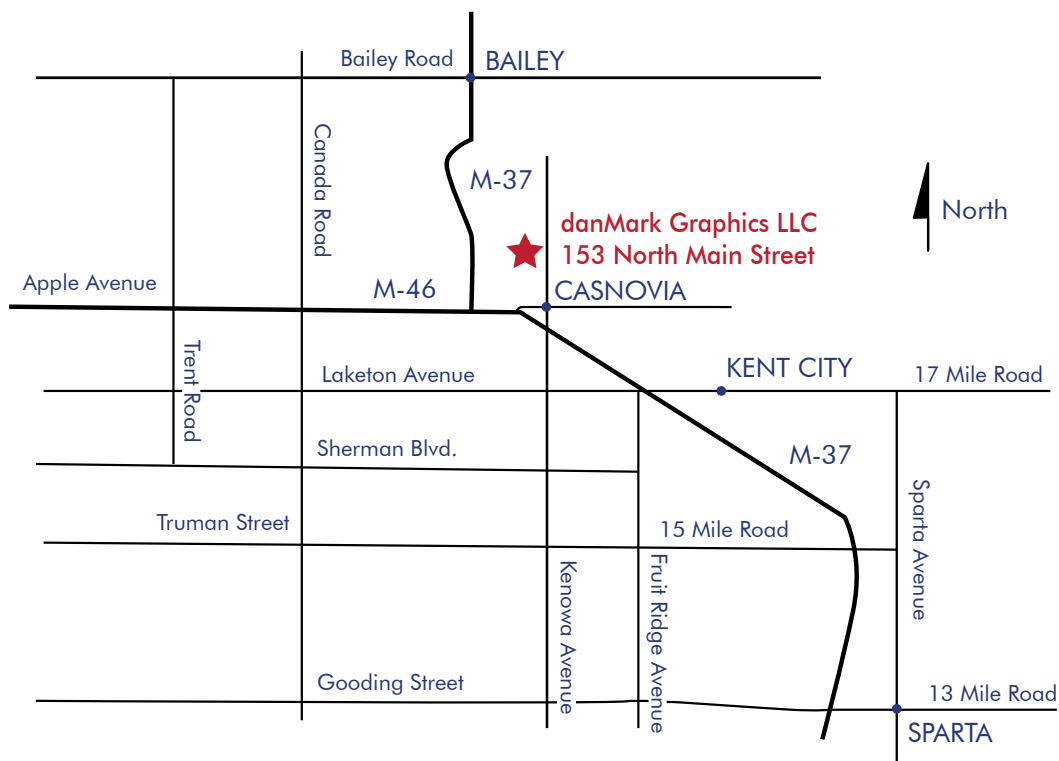

Call us today for pricing!

“danMark Graphics has done many different jobs for us including vinyl, logos, decals, coroplast signs, and even banners. As a business, they are very efficient and their customer service is like none that I have ever experienced before. For a local company, the pricing is great. We look forward to working with Mark and Tanya in the future.”

~ Jennifer Menken

“ danMark Graphics made it so easy for us to impress our clients. We told them what the theme was for our Annual Leadership Conference and they designed some truly unique graphics that we were able to use in the marketing material promoting our event and in the actual presentation. The icing on the cake was the tote bag and a gift we presented to our clients, each customized by danMark with the same graphic elements. You want to talk about a coordinated event! ”

~ Melinda Haehnel
VP Marketing and Public Relations, CU*Answers

“Mark has done several jobs for me...everything from decals for farm tractors to semi trucks. Unlike other companies I have dealt with, his vinyl is still looking good after several years of use and abuse. He was even able to make decals no longer available from one manufacturer. danMark Graphics is always prompt and priced right, which is good not only for me, but also for my customers!”

~ **Dave Bonthuis**
Owner, Bonthuis Repair

“danMark did a wonderful job on our orders. They are very courteous and helpful to work with. Their work was professional and done ahead of schedule. I would definitely recommend and send future orders to them.”

~ **Dennis Loveland**
Northern Michigan Paint Horse Club

“danMark created sweatshirts for the members of our Youth symphony. Tanya was very patient and helpful as we worked with the kids to choose sweatshirt styles, colors, and logo placement. The sweatshirts looked great and the kids loved them so much they couldn't wait to put them on! By the end of the rehearsal, more than half the orchestra was wearing their matching sweatshirts! We will definitely be using danMark again next time!”

~ **Sarah A. Ruddy**
Operations Manager, West Michigan Youth Symphony

“Thank you so much danMark Graphics for a great set of t-shirts in a crazy quick time frame. The details came out exactly as we hoped they would. Our race team at Berlin Raceway is sporting these shirts proud. You can't beat the price, and danMark pays the close attention to your artwork that you will not get from a large place that is focused on quantity. Keep your money in our local mom and pop West Michigan economy and go with danMark!”

~ **Brad Hastings & Mel Parsons**
Drivers/Car Owners, Goodentite Racing

Don't just take our word for it....
